

Nelson Global Products Announces Acquisition of Commercial Tube Processing

Stoughton, WI – February 4, 2021

Nelson Global Products Inc. (Nelson), a global leader in the design and manufacturing of thermal management, acoustic, air and fluid mechanics, and structural solutions, announced the acquisition of Commercial Tube Processing (“CTP”) based in Indianapolis, IN.

CTP is a manufacturer of complex, high-performance tube assemblies, metal fabrications, and precision weldments for OEMs in a diverse set of end markets including on-highway, off-highway, construction, and military durable equipment. CTP operates state of the art manufacturing facilities in Indianapolis and Greenwood, IN.

“We are excited to welcome the CTP team to Nelson. The combination of CTP’s superior capabilities and capacity with Nelson’s global operations and product engineering, better positions us to accelerate growth and better support our global customers. CTP is a well-known and respected Tier 1 supplier and Nelson is committed to continuing CTP’s success,” stated Steve Scgalski, Chief Executive Officer of Nelson.

Mike Gill, General Manager of CTP, has joined Nelson and will continue in his role leading CTP’s Indianapolis and Greenwood, IN facilities. Mike will report directly to Steve Scgalski, Nelson’s CEO.
